Re: *Thompson v. City of New York* 1:21-cv-10371-JGLC-BCM

Dear Mr. Thompson,

The undersigned represents the Defendant New York City in the above action. We have received your letters filed on the docket in the above case. I am writing to provide an update on your settlement on the case in which you alleged that you were denied monkeypox testing.

We have received all of the paperwork that you sent to us to complete your settlement. I have submitted to the New York City Comptroller's Office all of the settlement documents that you, me, and your settlement counsel Becca Meyer signed to complete your settlement. The settlement has been approved. Your settlement is in process; rest assured, you will receive the settlement of \$3,000 soon.

We have also received the letter in which you said that a charge of \$48.60 was deducted from your account. I have asked DOC personnel to provide me information; they have supplied your transactions from March 1, 2025 to the present attached here.

Thank you for your patience here.

Respectfully Submitted,

/s/  
Bryn M. Ritchie  
Assistant Corporation Counsel

Please your honor  
Request my Securus tech.net  
account?  
This account IS where my  
money was theft.

Plaintiff should use the DOC's grievance procedure to address any issues with his account. In terms of the settlement payment, the City last informed the Court that the payment is forthcoming. ECF No. 133. If Plaintiff does not receive payment in 30 days, Plaintiff should submit another letter to the Court, at which time, the Court will request an update from the City.

SO ORDERED.
